

## QUALITY, HEALTH, SAFETY & ENVIRONMENTAL (QHSE) POLICY

**Al-Babtain Power & Telecommunication Company** is committed to provide Products and Services satisfying Customer's needs and expectations, protecting the environment and ensuring occupational health & safety in workplaces through:

- Risk based thinking in formulating QHSE Management System.
- Commitment to comply with applicable legal & other requirements in all QHSE processes to maintain safe and healthy working conditions, protecting environment and producing quality products.
- Communicate QHSE policy and set meaningful objectives & targets to improve quality, prevent pollutions, eliminate potential hazards, minimize consequence of risks from operations and conserve natural resources.
- Train, empower, consult and motivate employees to provide quality products and conduct their activities in a safe and environmentally responsible manner.
- Encourage employees to participate and contribute QHSE issues and opportunities in the recognition programs.
- Review, monitor and measure QHSE performance for continual improvement.
- Review this policy periodically to ensure its suitability to the Organization's business.

**Responsibility for application of this policy remains with all Employees.**
